In order to protect all of our boarders, we require pets to be current on vaccinations, and to be **flea, tick, and intestinal parasite free**. Any pets not current on vaccinations will be vaccinated. In addition, pets will be treated at the owner's expense for fleas, ticks or intestinal parasites if they are deemed a possible risk to our facility.

Reasonable precautions will be used against injury, escape, or death to the pet. The clinic and staff will not be held liable for problems that develop provided reasonable care and precautions are followed.

*I understand that any problem that develops during my pets stay will be treated as deemed appropriate by the staff or veterinarian. I assume full financial responsibility for any treatment expense involved.*

*Fees are to be paid in full at time of discharge.*

# Dog Yard Agreement

**New! Effective May 1, 2016**

Mission Road Animal Clinic  
9420 Mission Road  
Prairie Village, KS 66206

We are pleased to announce the new addition of a fenced dog yard to our boarding facility! We have always leash walked during boarding in the past, and we are now happy to offer off-leash running and playing with our staff! During the week, your pet(s) will still go out to potty (and now to play) morning and evening- all leash walks will now be replaced with free run time. However, if you'd like your pet(s) to enjoy **ADDITIONAL** play time with our staff mid-day, we will offer the following options (dependent on the length of your stay):

**\$20 for daily dog yard play WEEKEND STAY (<4 nights)**

**\$40 for daily dog yard play WEEKLONG STAY (4-7 nights)**

**\$50 for daily dog yard play EXTENDED STAY (8+ nights)**

(This is a one-time fee.)

**\*\*Please note, dogs will not be playing with other boarders, unless they are from the same family or were brought for boarding together.\*\***

**Has your dog ever jumped a 6 foot fence?            Y            N**

**Do you feel your dog will attempt to jump an unknown 6 foot fence?            Y            N**

If your pet(s) attempt(s) to jump our fence, free run play in the dog yard is over, and we will continue to leash walk your pet(s) for the safety and security of everyone involved.
